TINTIN EN SUISSE

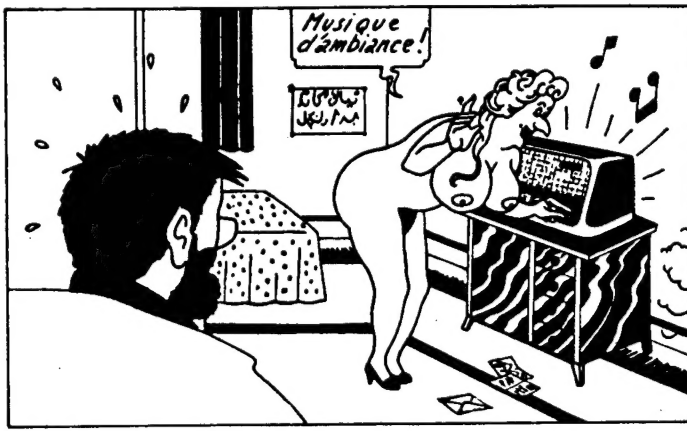

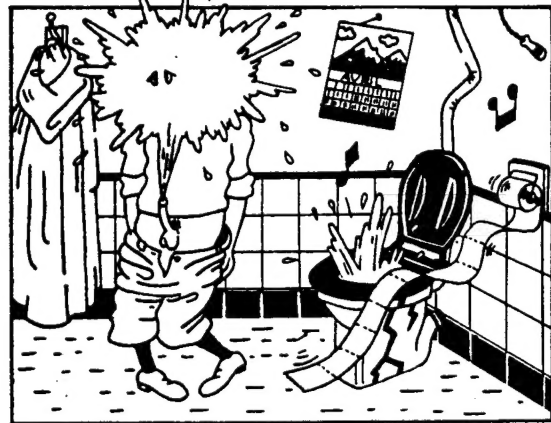

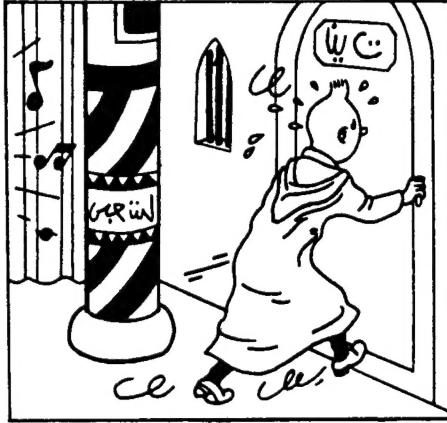

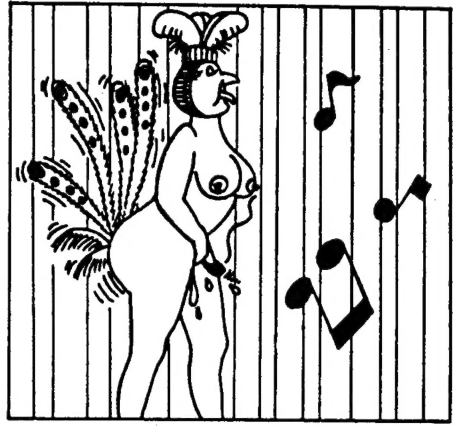

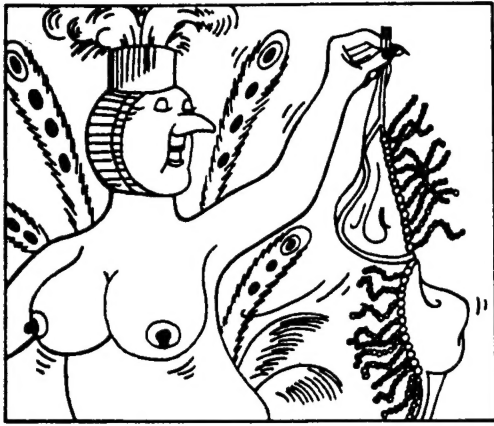

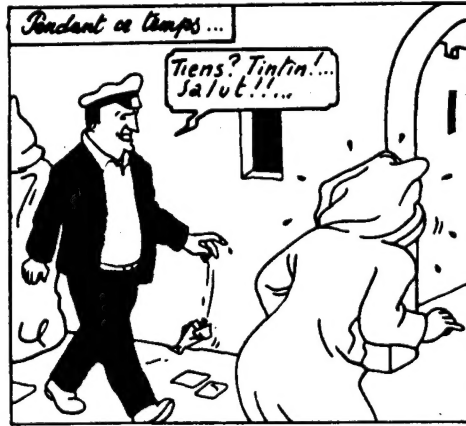

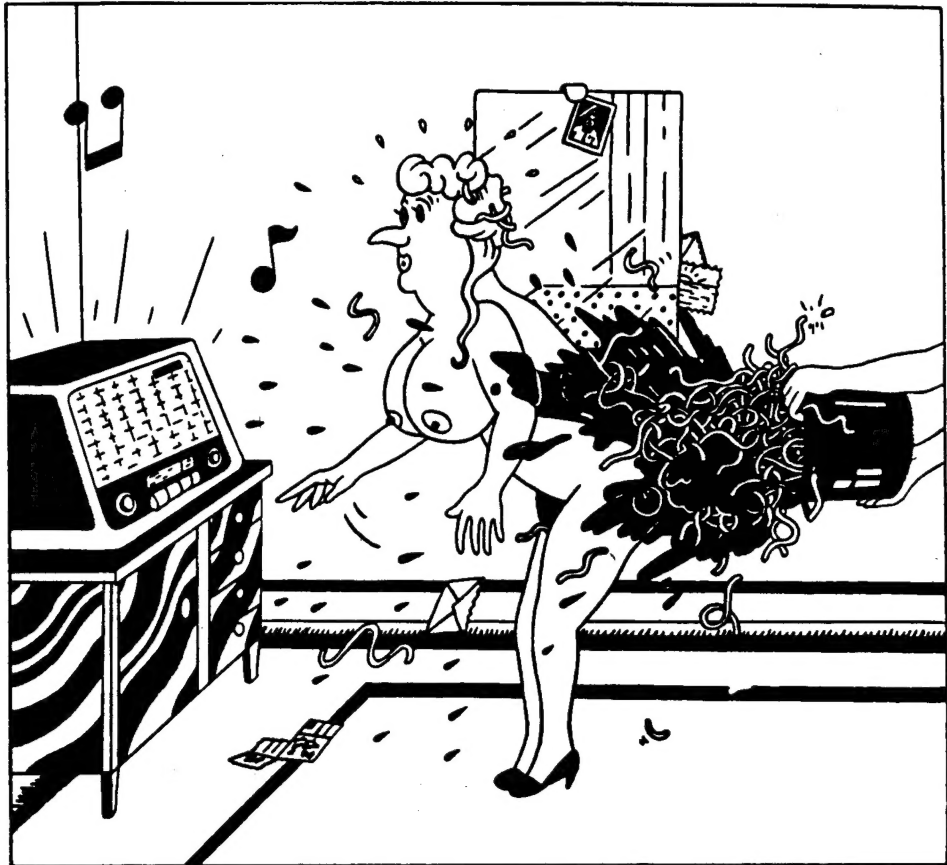

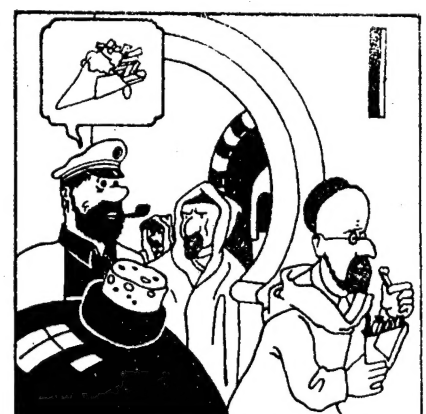

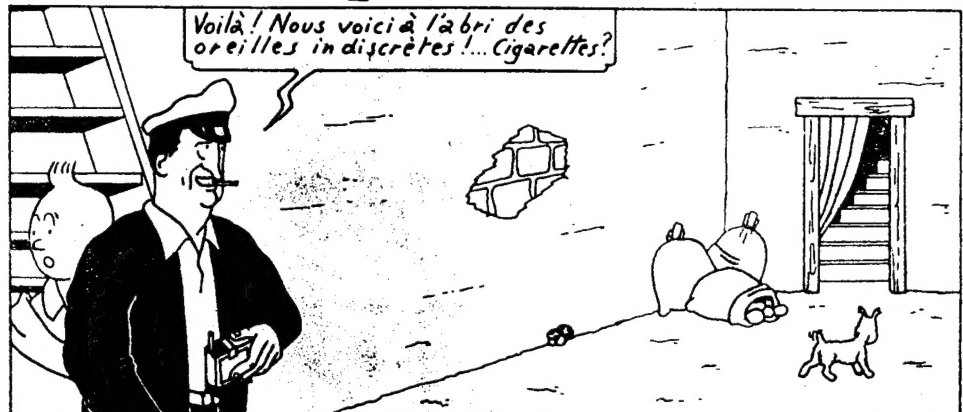

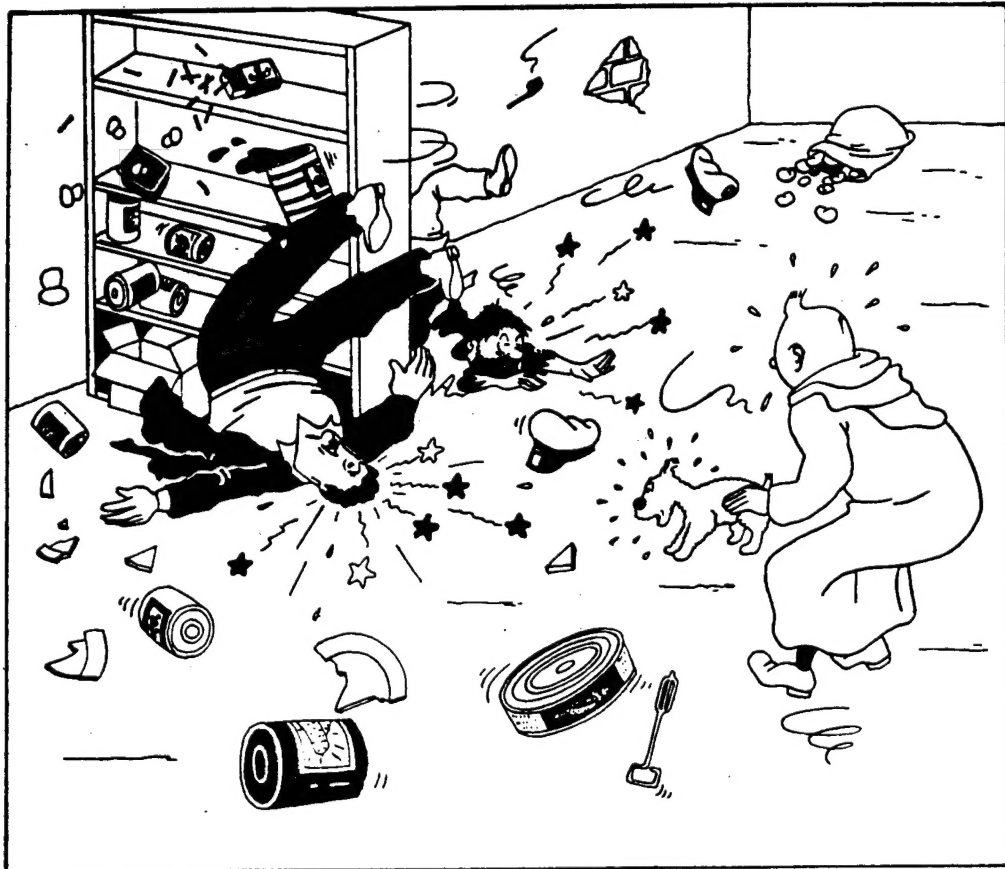

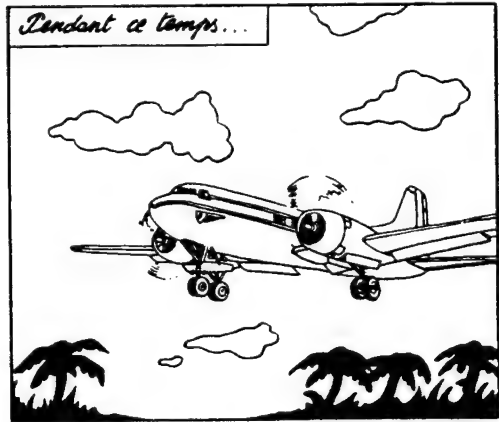

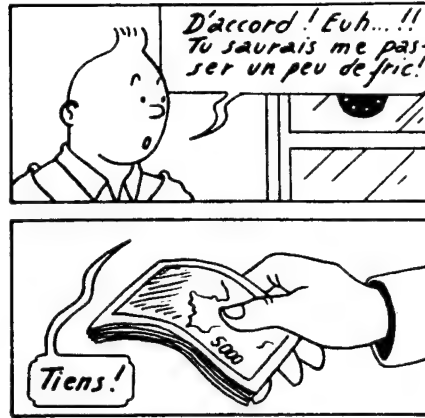

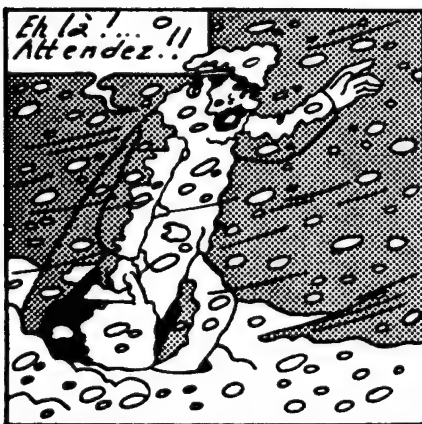

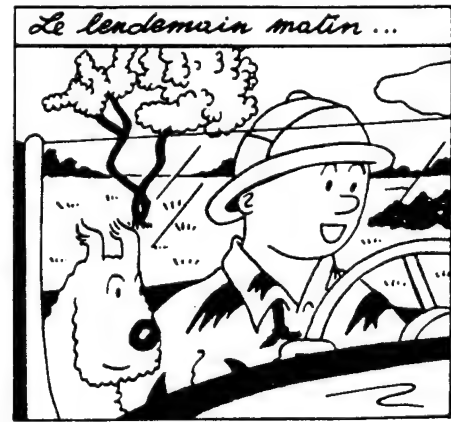

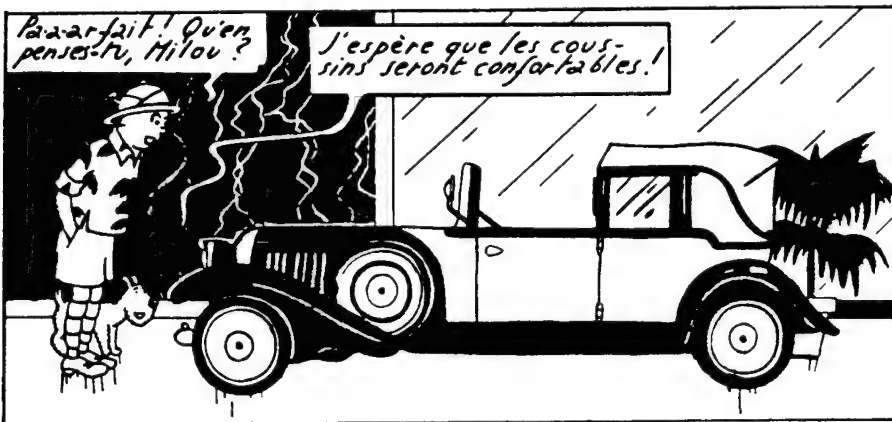

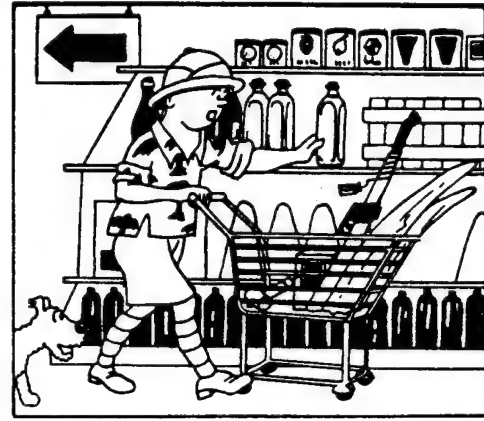

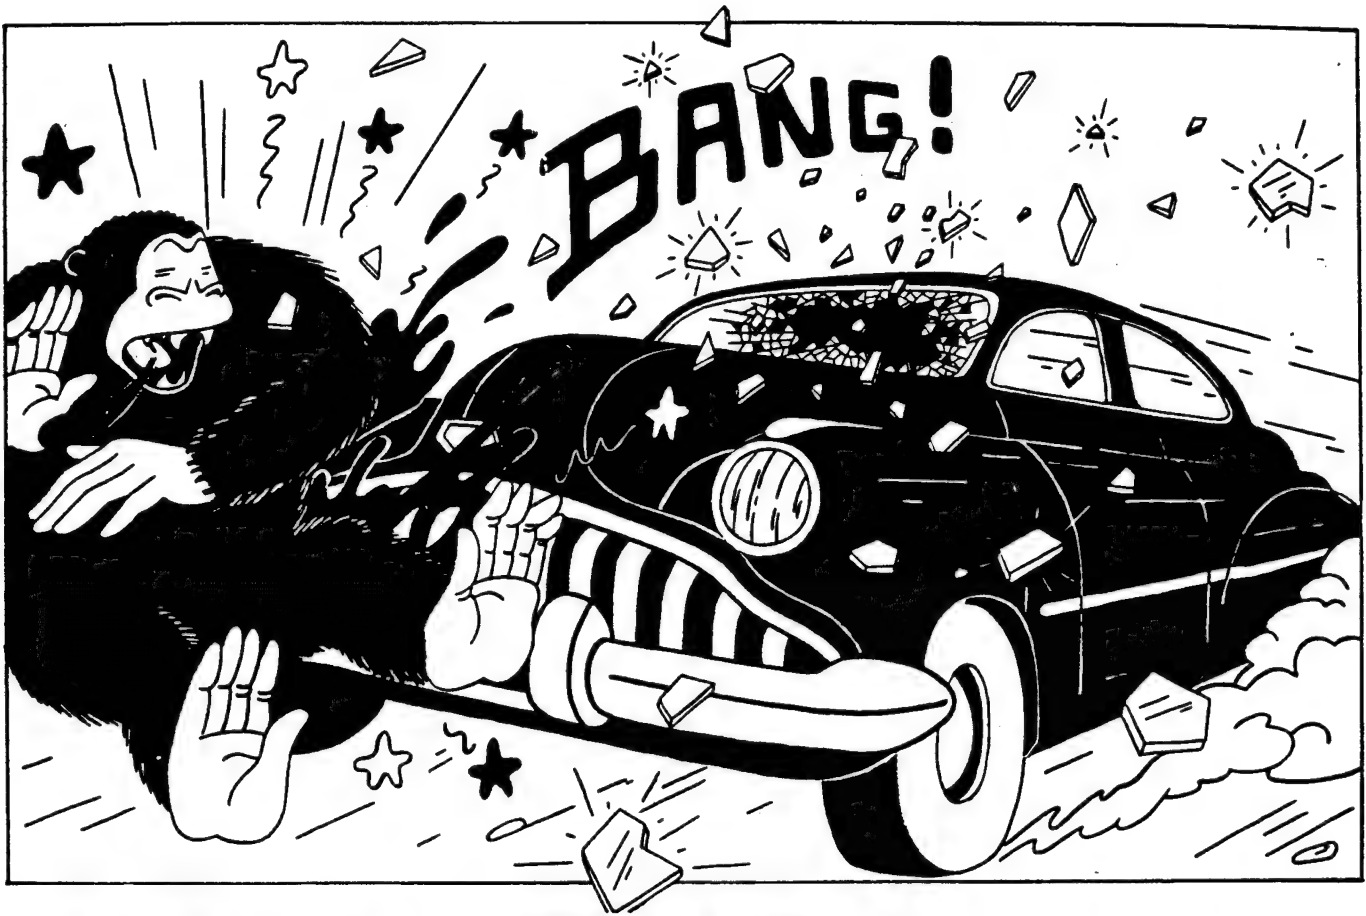

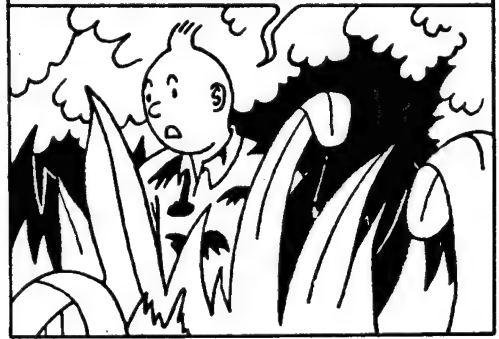

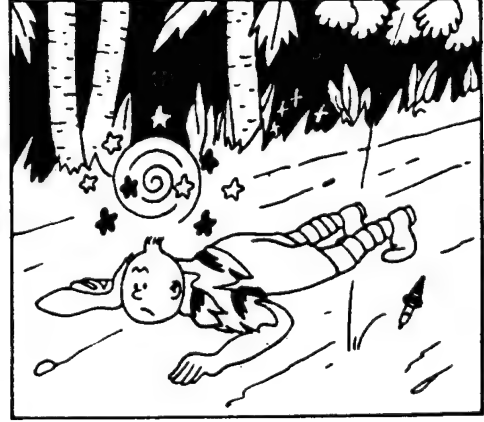

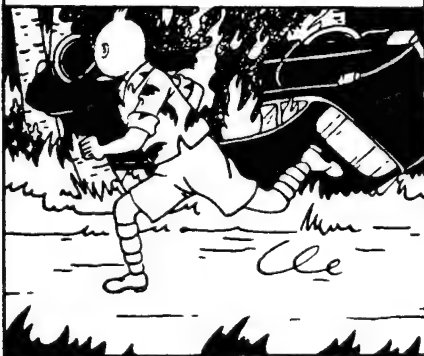

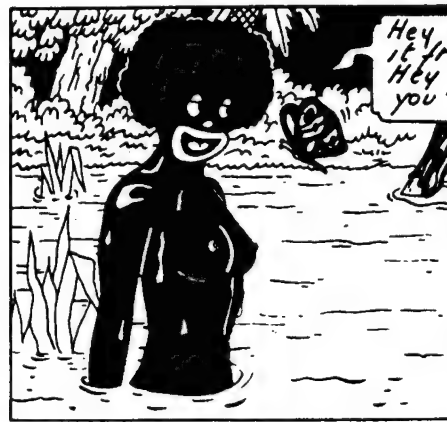

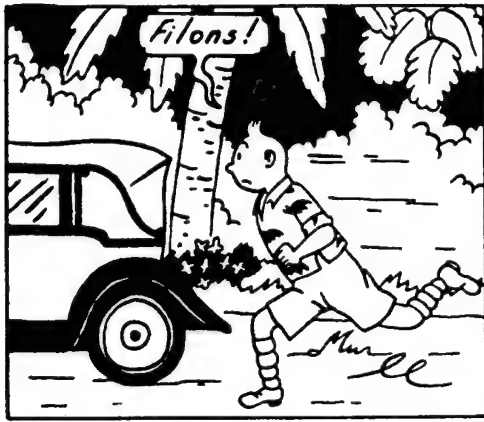

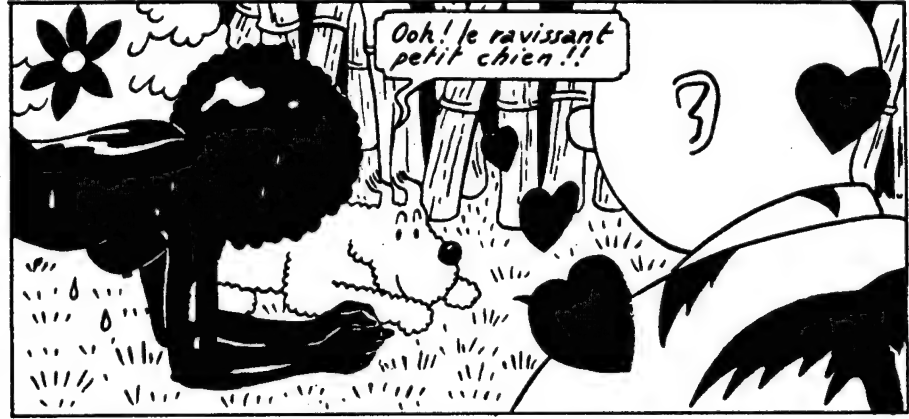

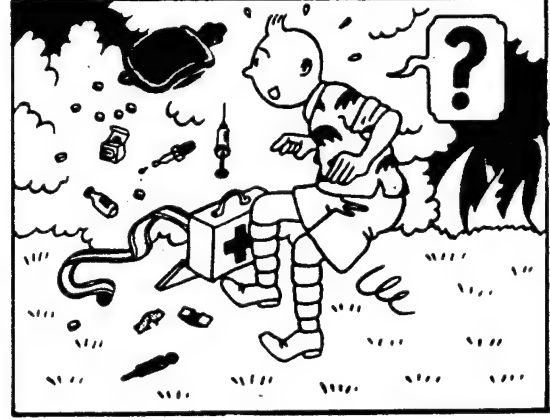

Je l'ai échappé belle ! Heureusement que j'ai sauté à temps dans ces broussailles.

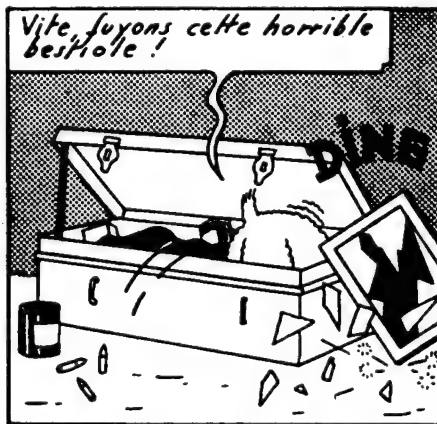

Cette voiture va exploser, d'un moment à l'autre !

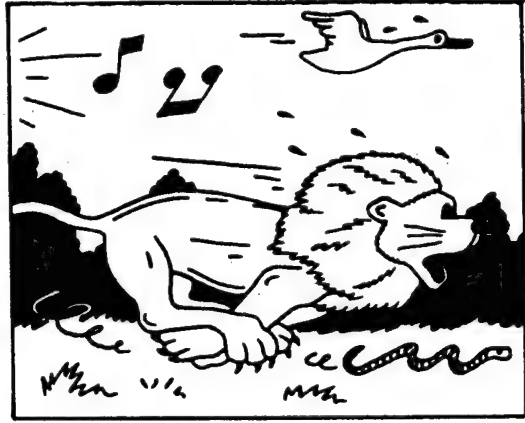

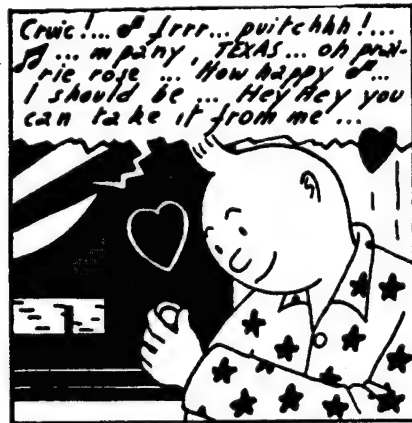

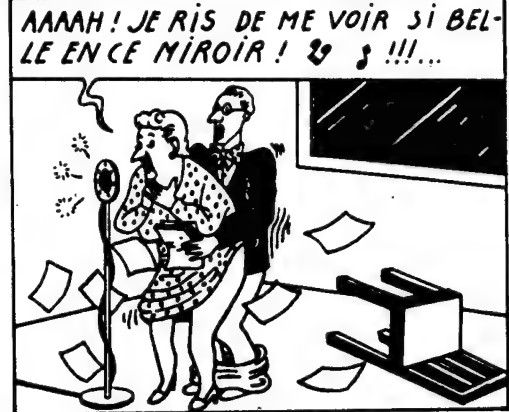

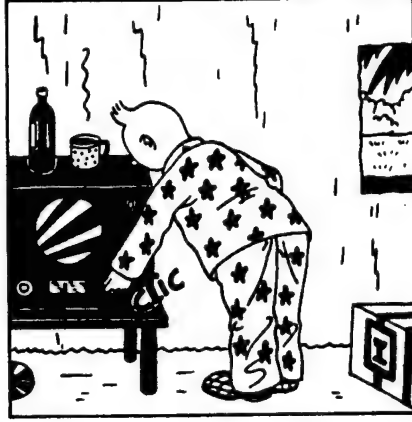

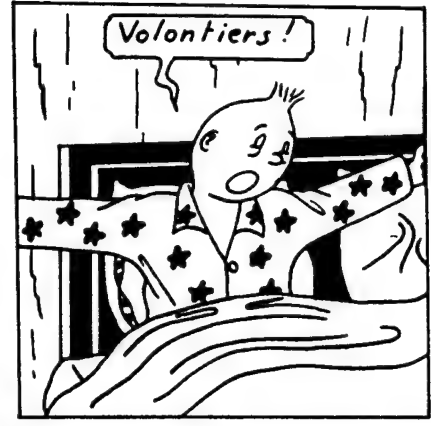

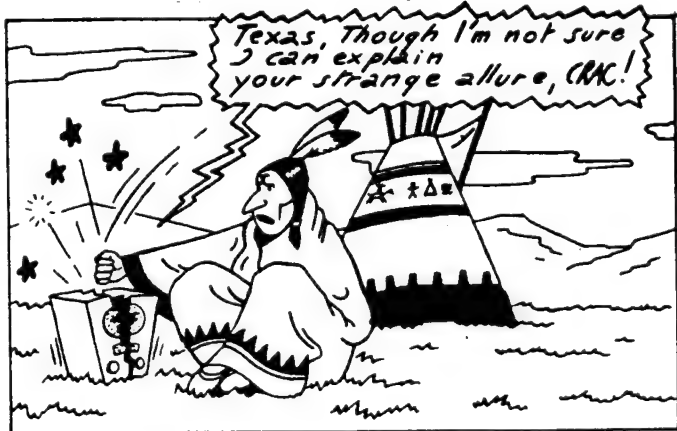

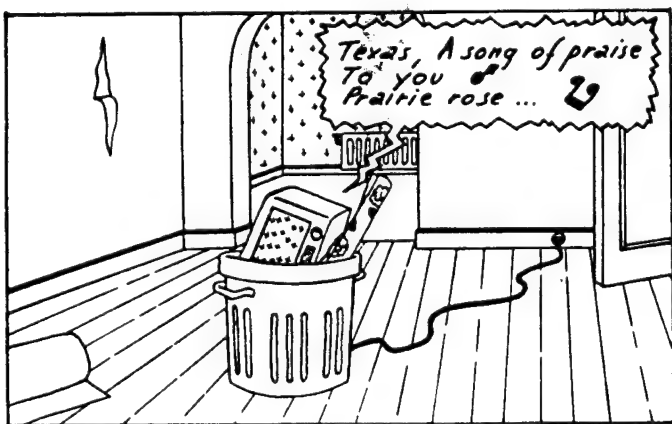

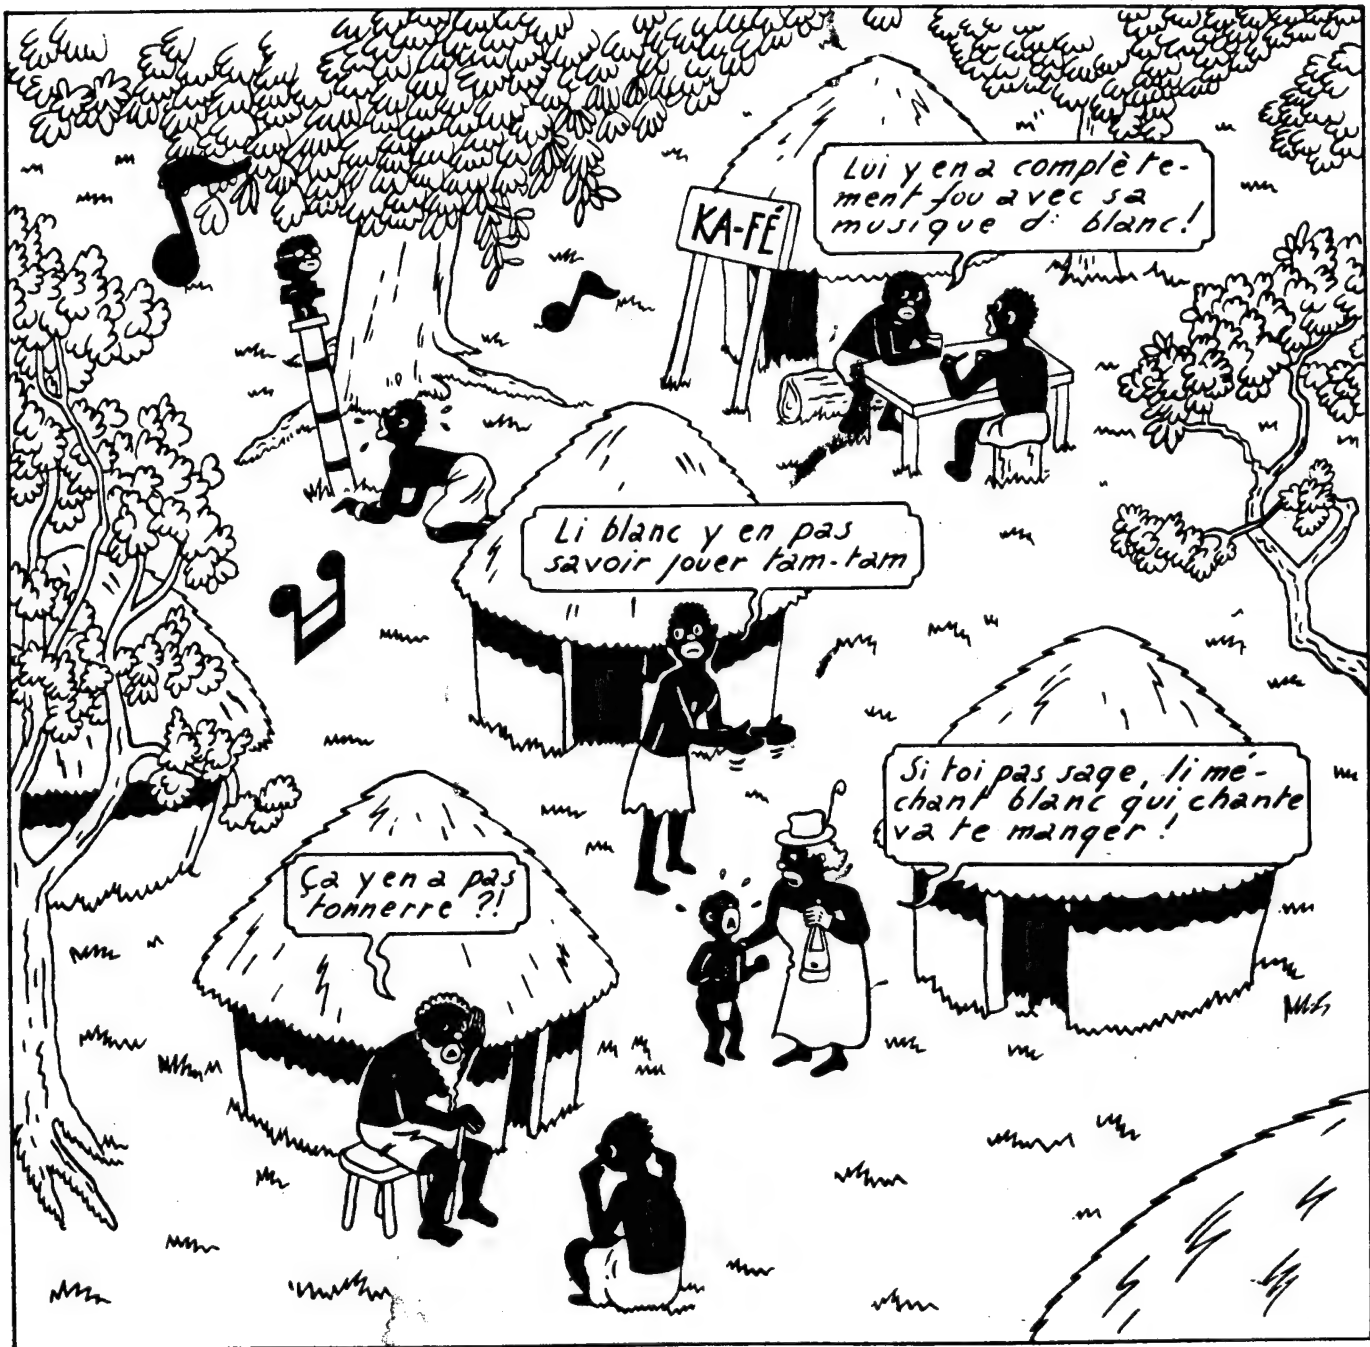

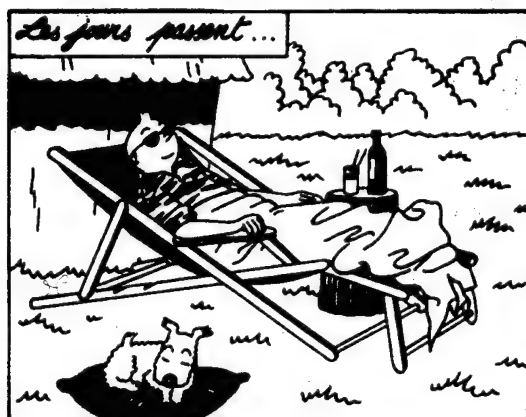

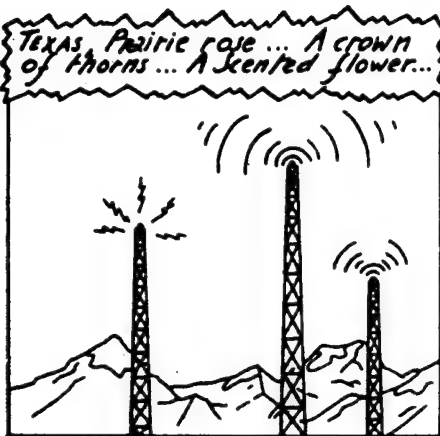

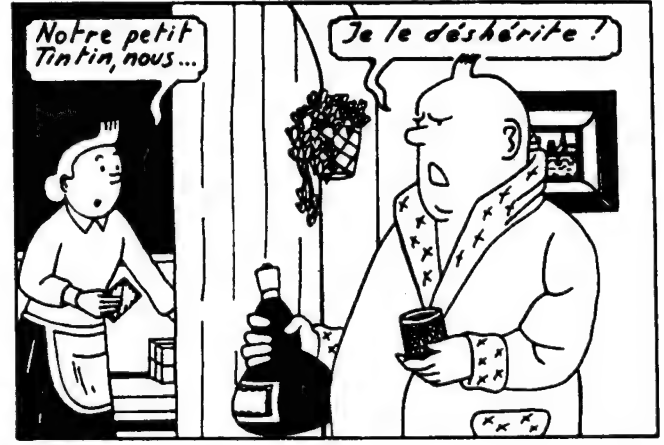

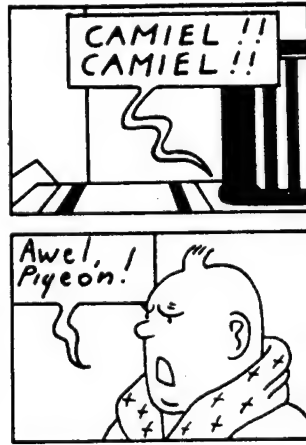

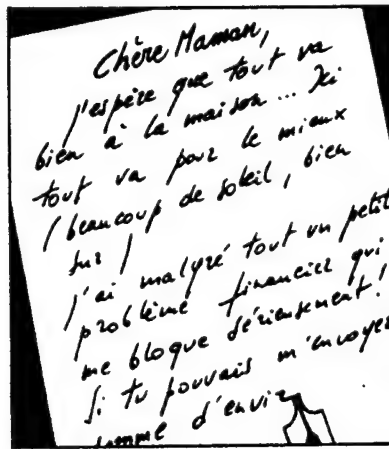

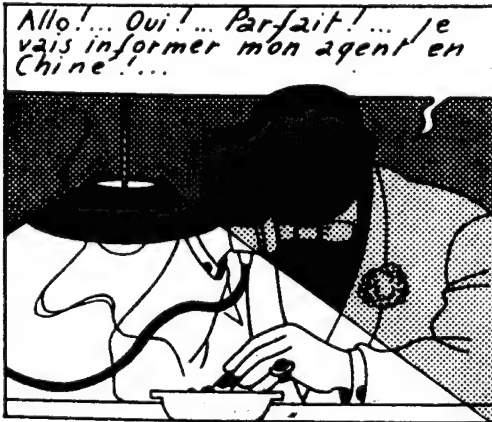

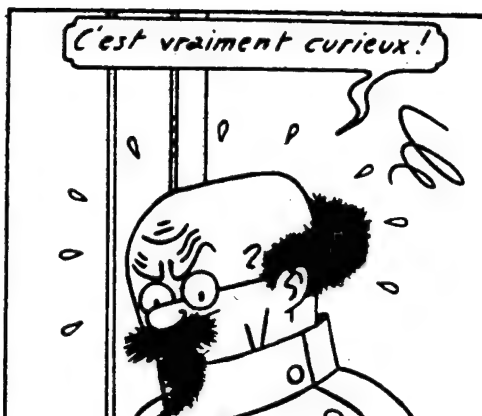

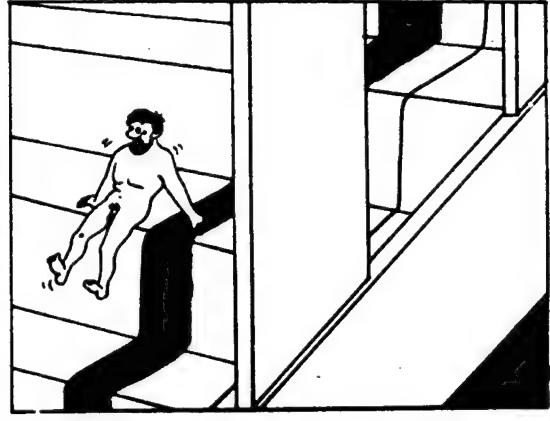

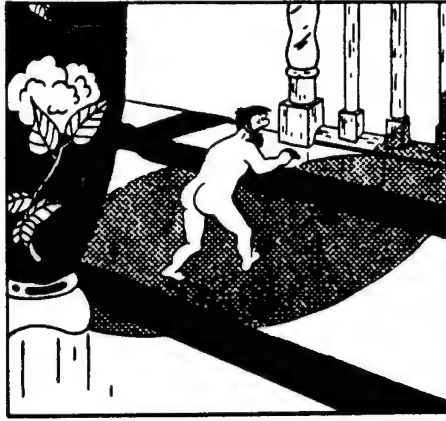

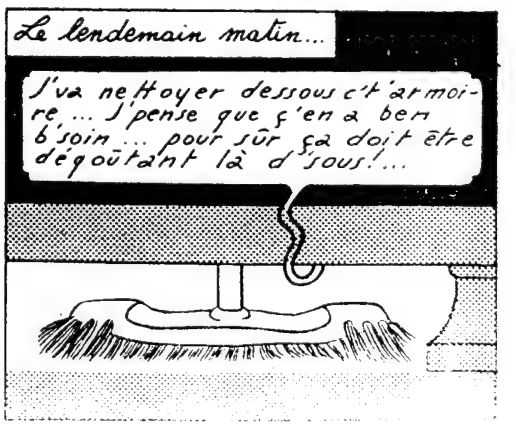

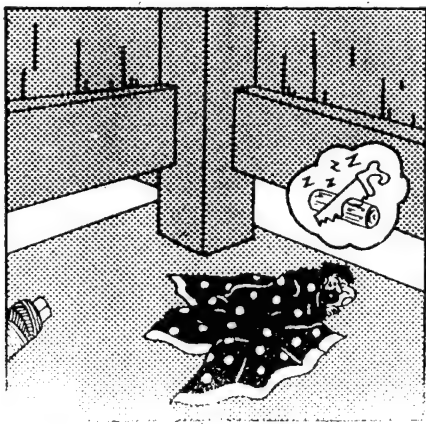

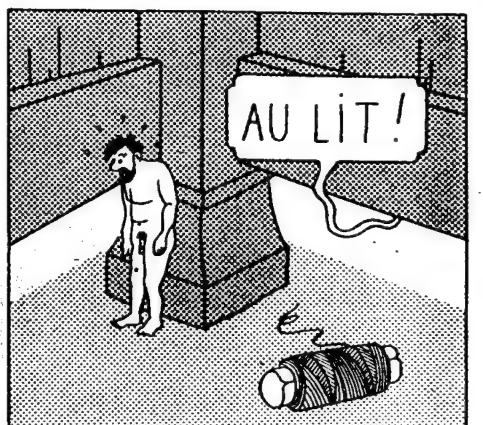

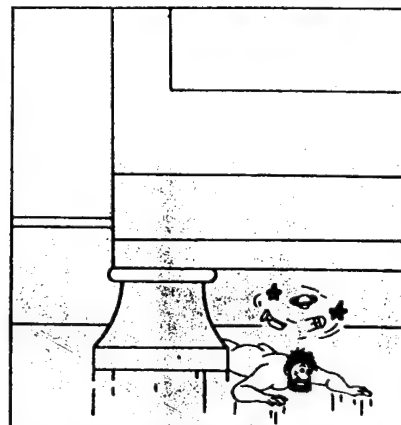

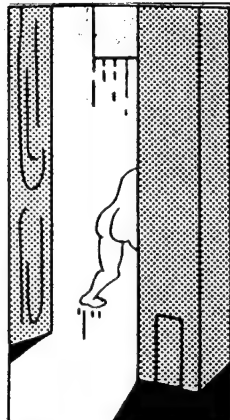

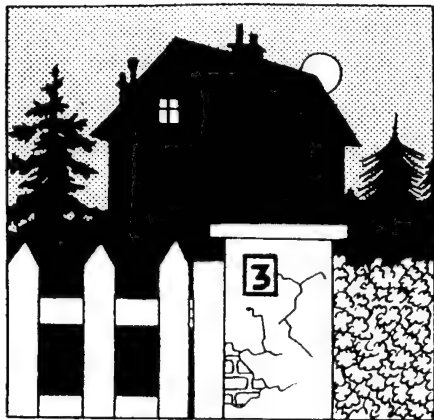

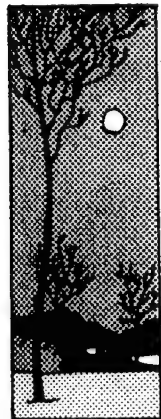

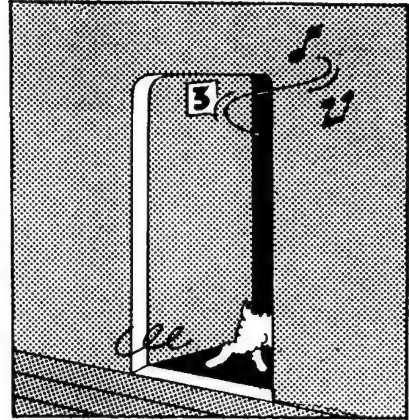

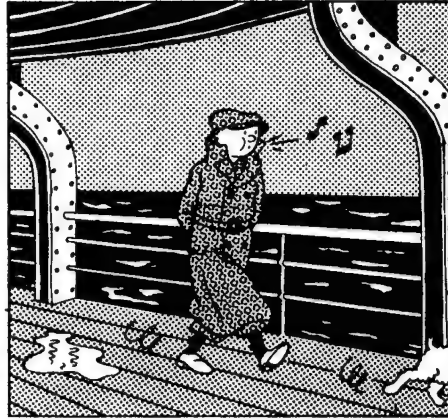

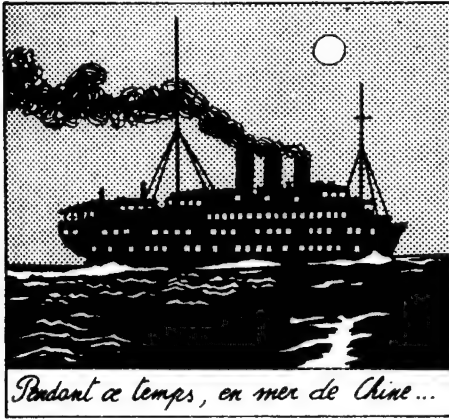

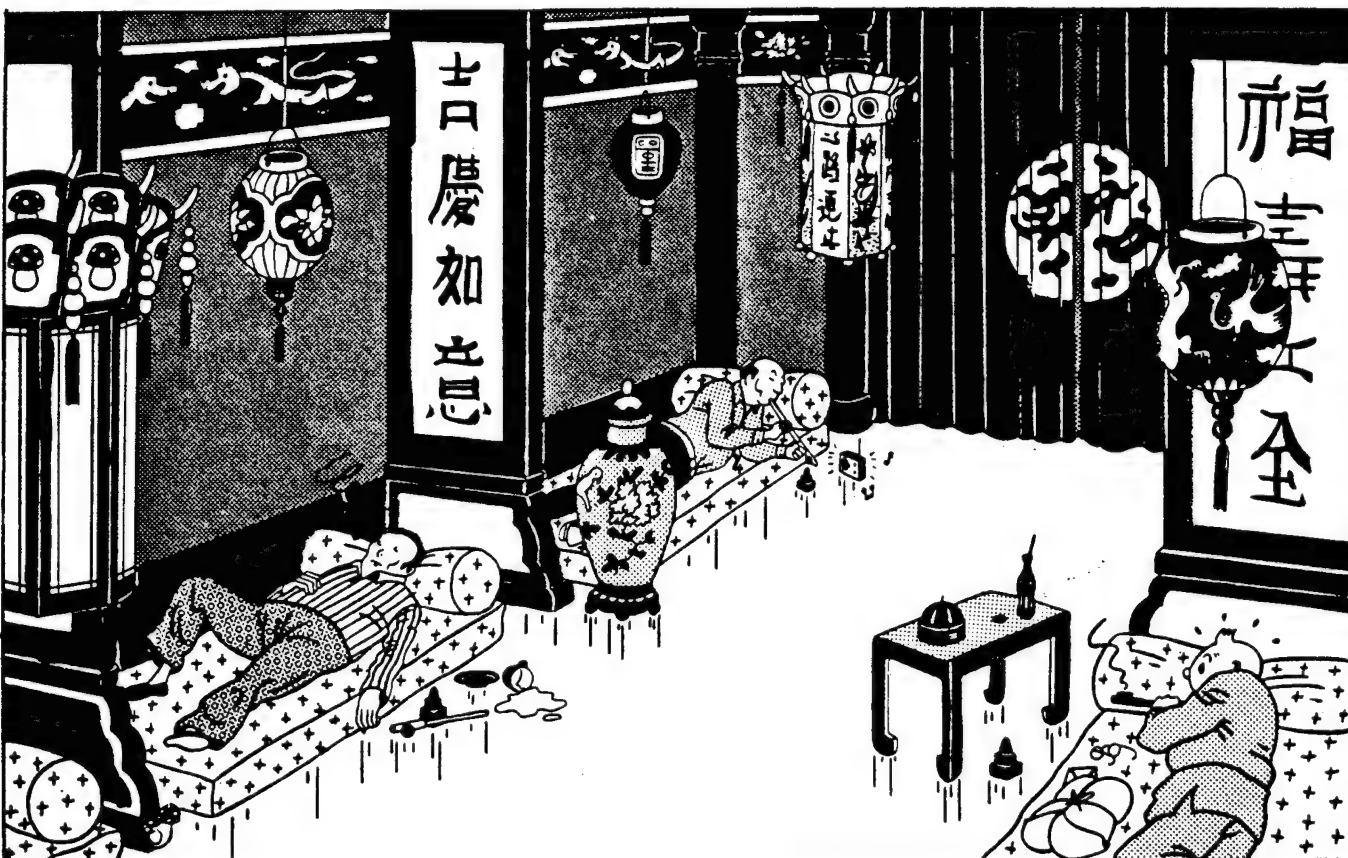

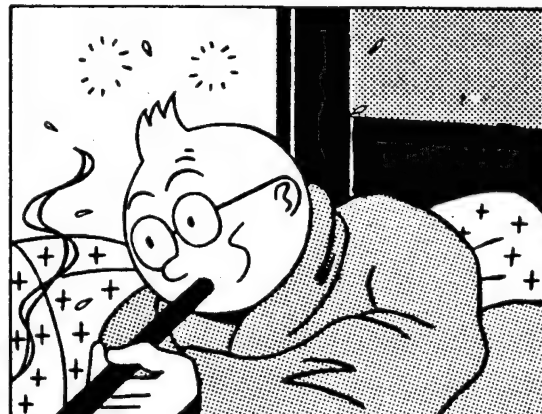

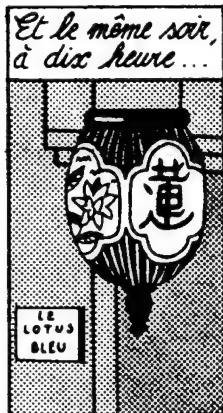

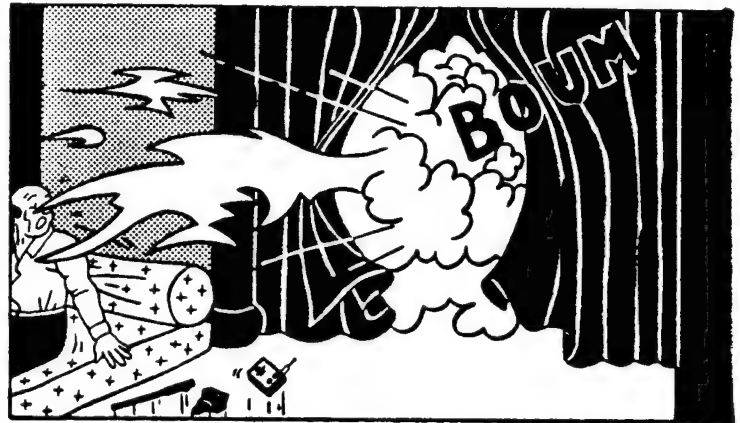

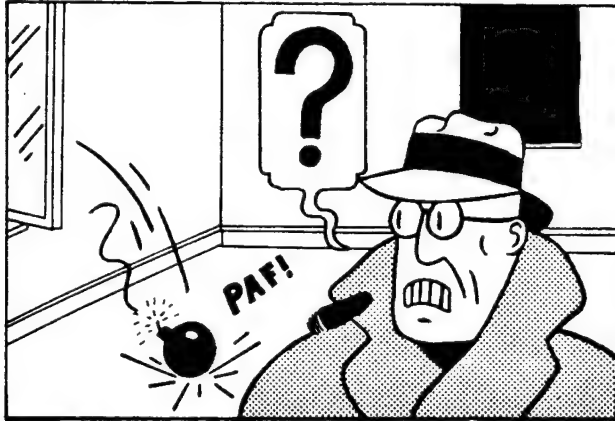

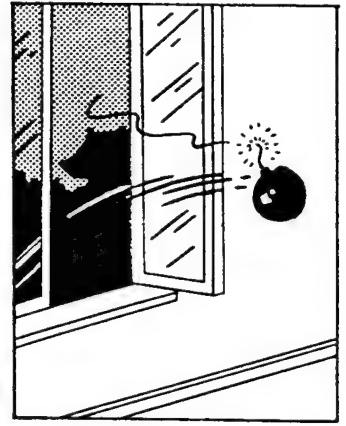

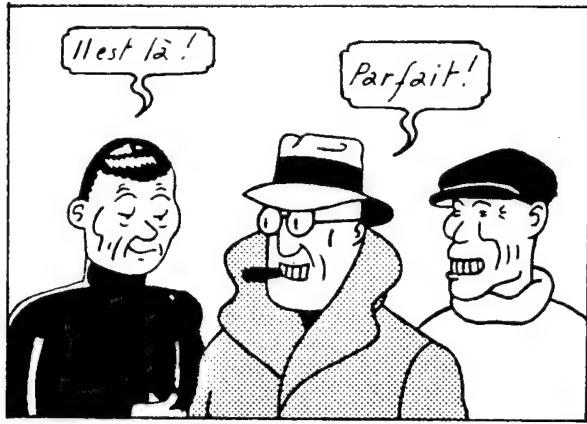

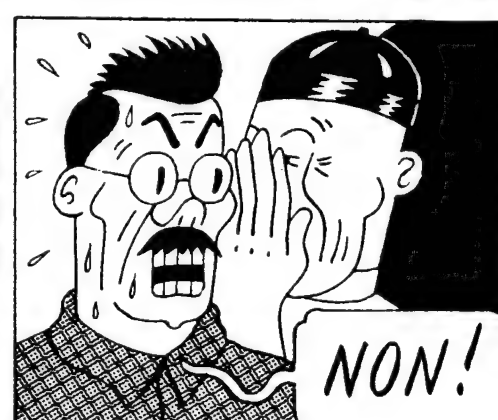

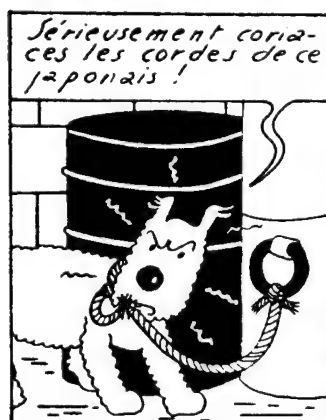

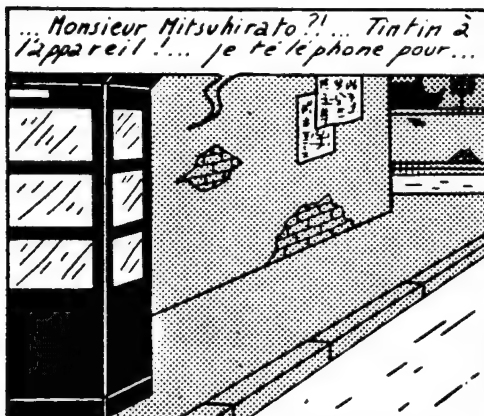

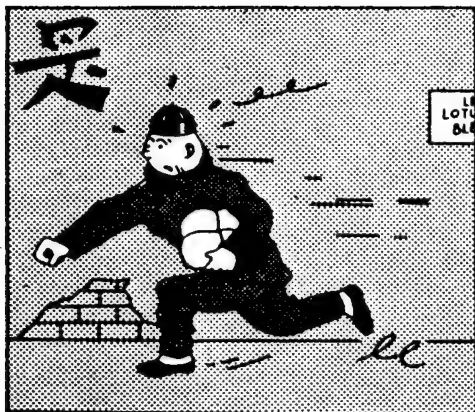

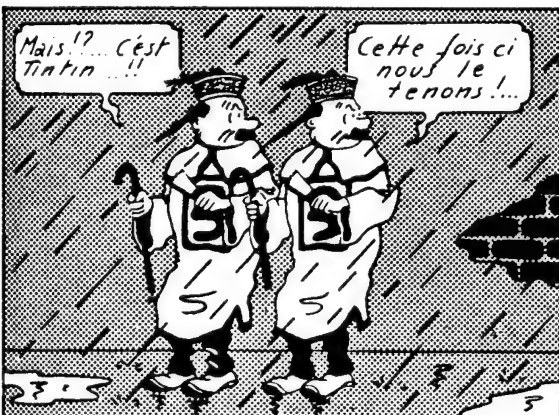

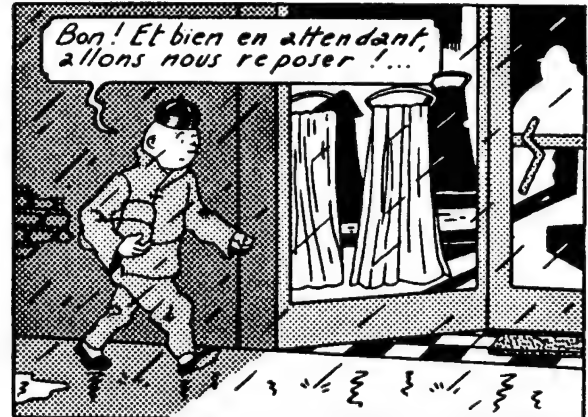

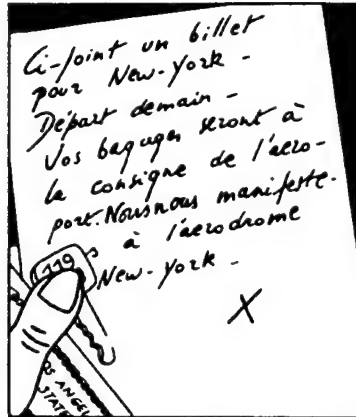

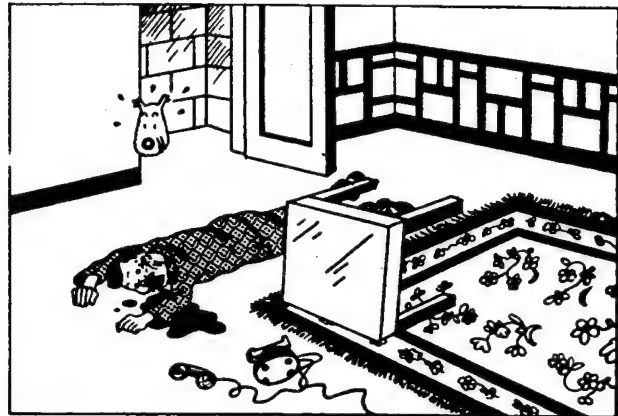

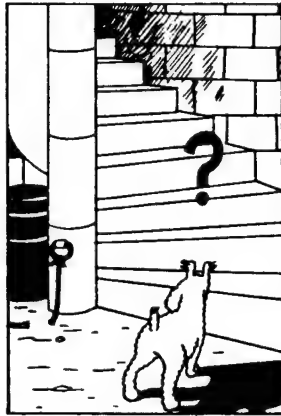

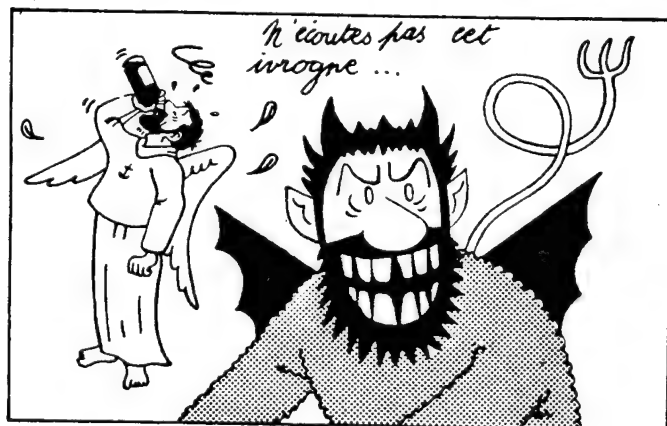

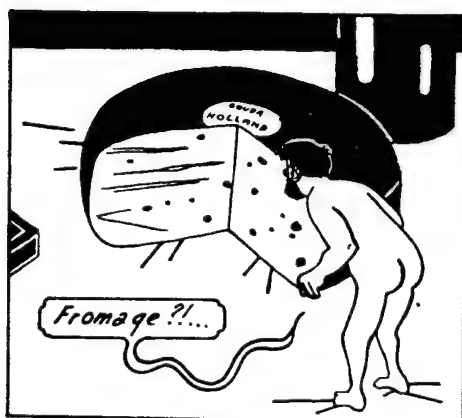

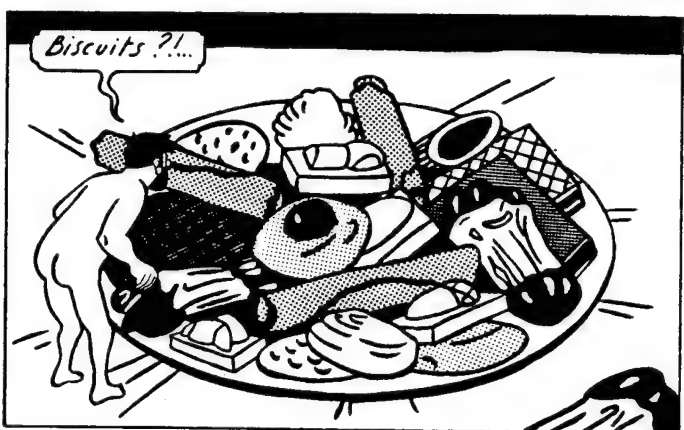

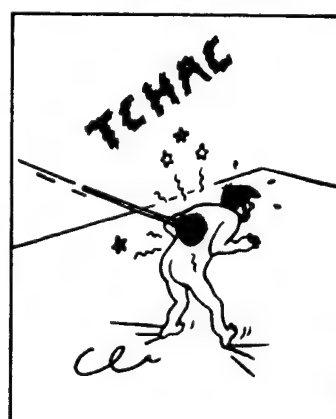

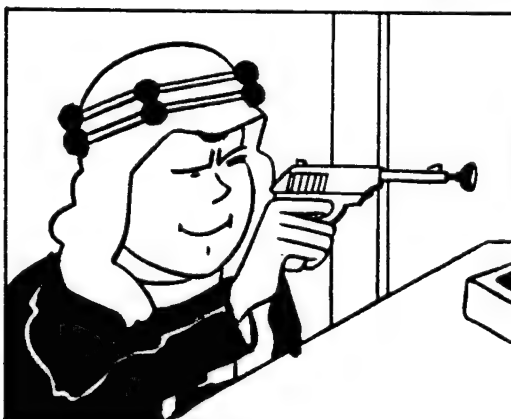

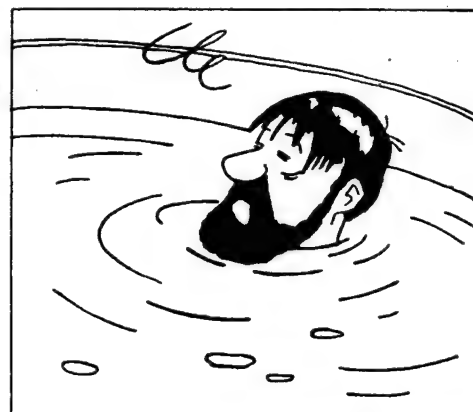

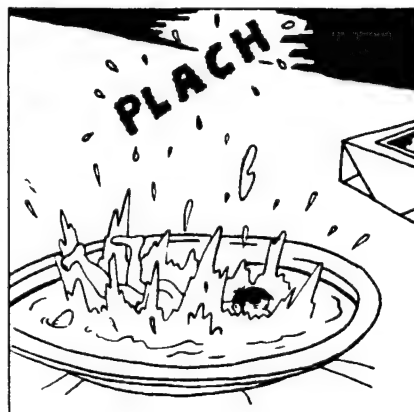

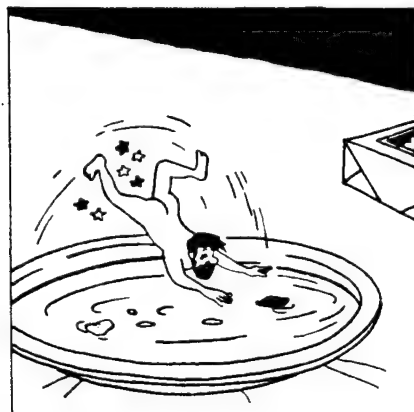

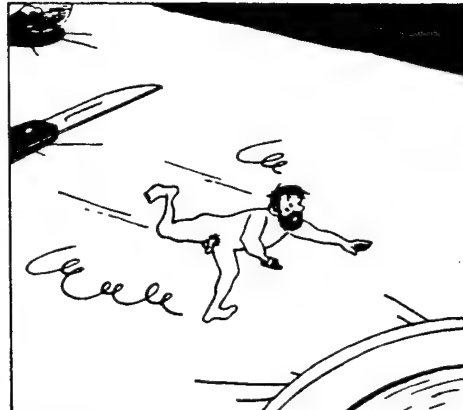

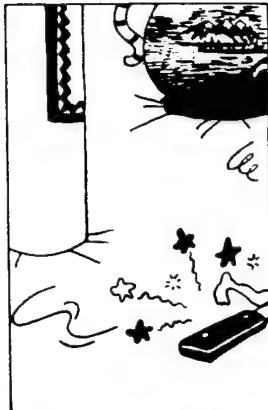

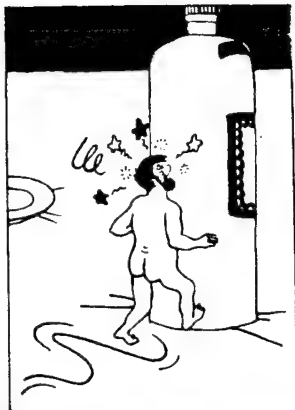

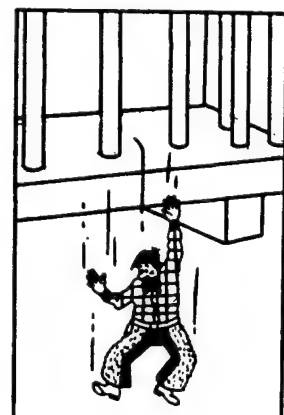

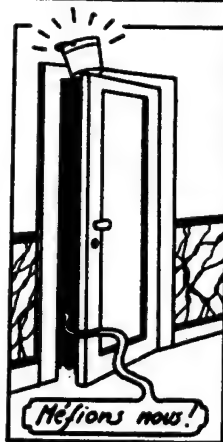

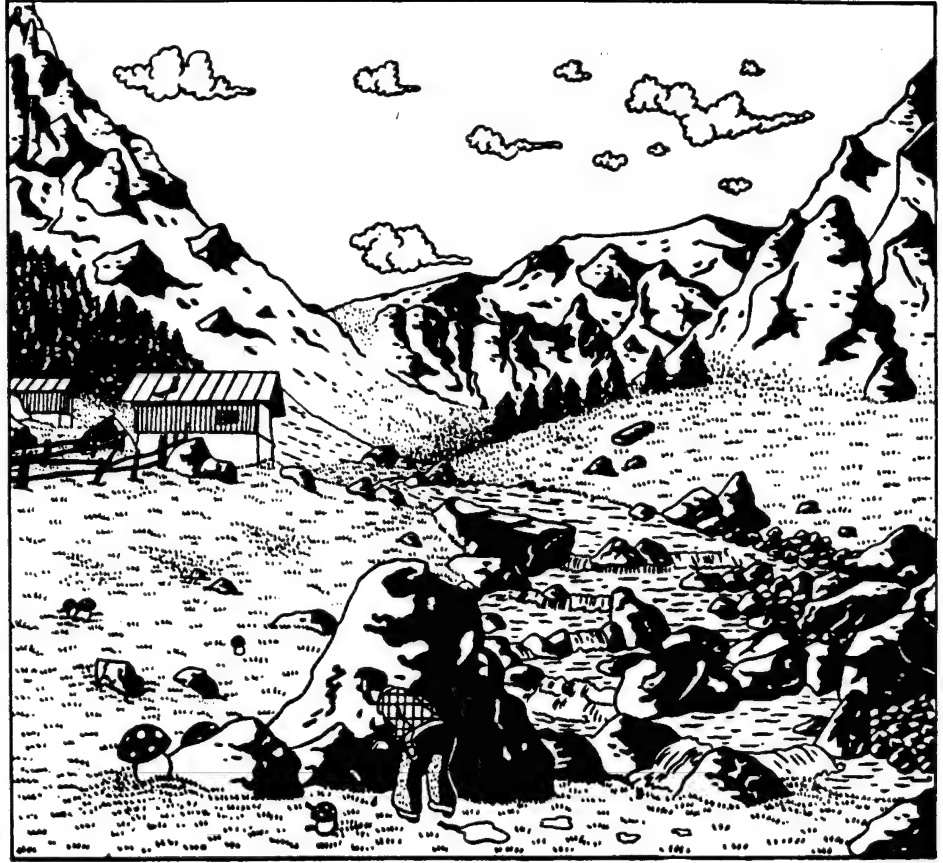

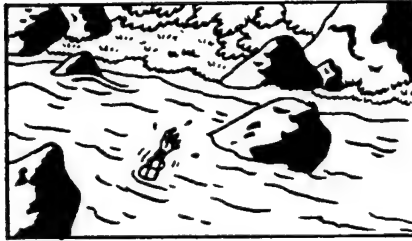

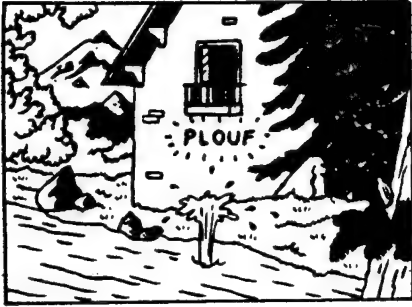

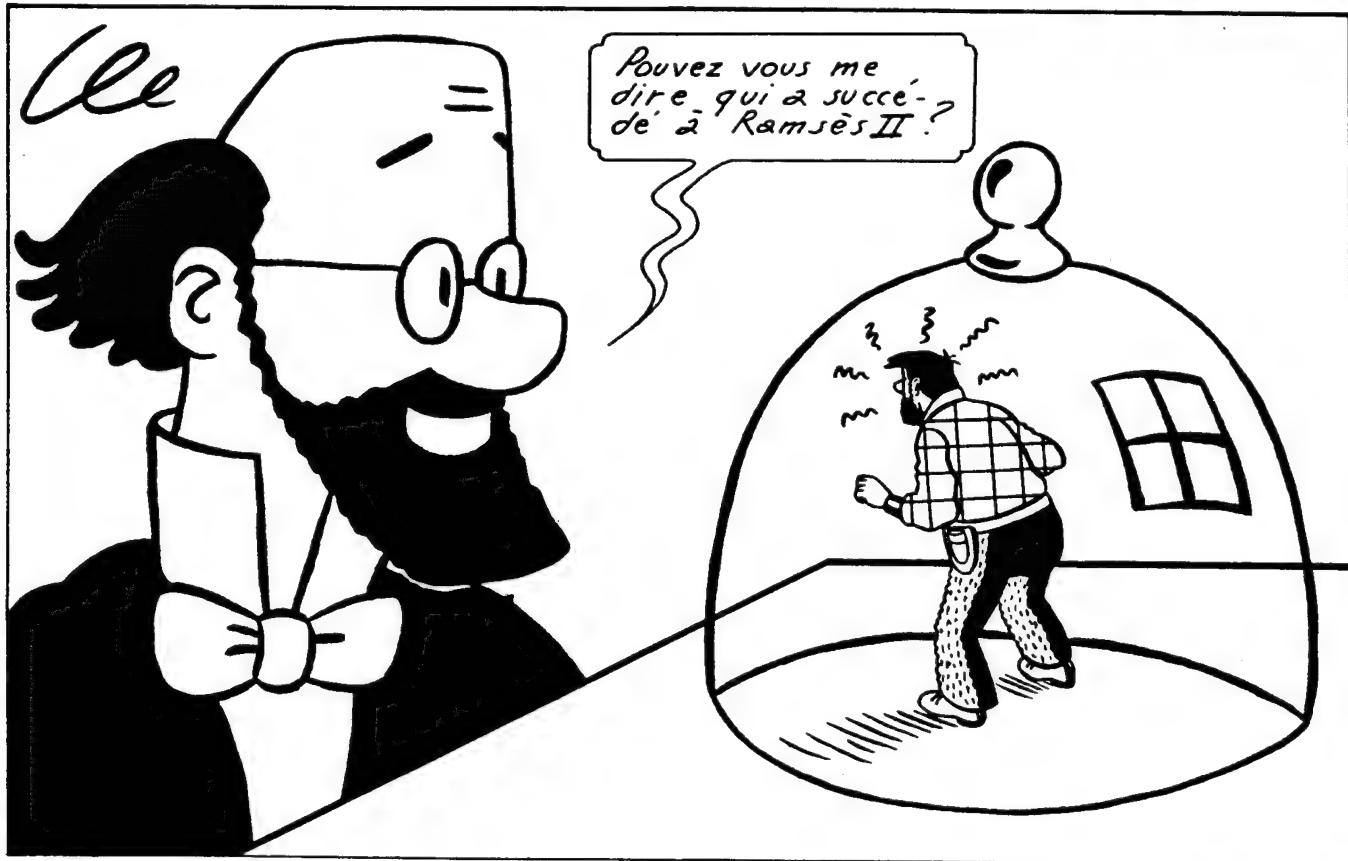

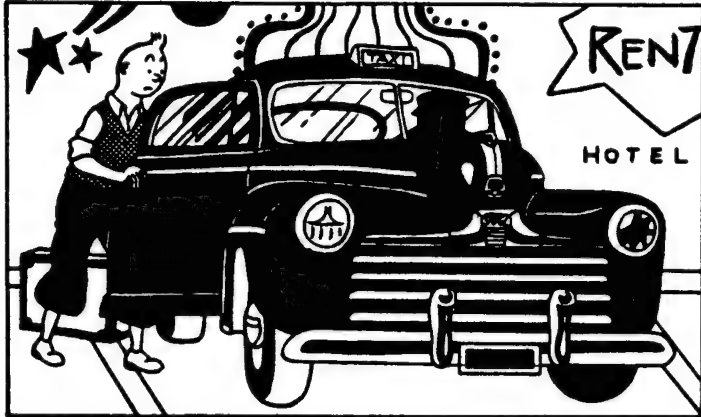

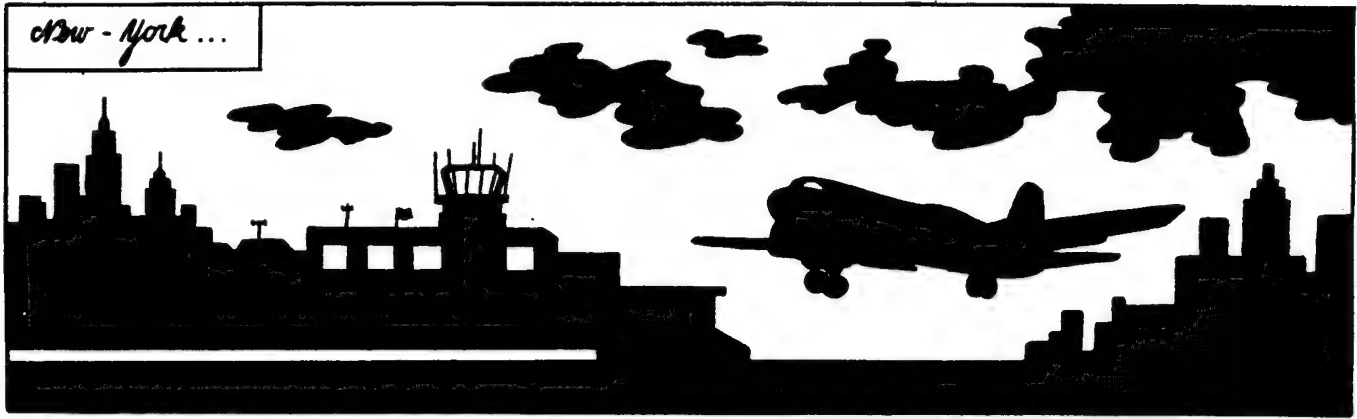

Abu - York ...

... Au "Zwarte Piet",
Manhattan !... Ça doit
être un café belge !

le "Zwarte Piet" à Man-
hattan, Please !

Yes, Sir !

Abu Zwarte Piet ...

... Ha ! ha !... Comme disais
mon oncle Anatole, un
gars de Drogenbos (Bel-
gium) ... C'est plus fort
que midable ! Ha ! ha !...

Ça m'rapelle une histoire de ce bon vieux
Johnny Butterfly, un gars de l'Ohio (United
States) ... Il avait donné de l'acide à sa
vieille tante qui avait la grippe !...
c'était à s'écarter sur les cuisses ...

... Elle a mit son chapeau et elle
est sortie, en chemise de nuit,
acheter des boules sures pour les
offrir au leader des "Black Pan-
ther" ... On a du lui balancer
un litre de Gueuze dans l'coco
pour la calmer ... faut l'faire...
à repasser ... ha !
ha ! ha !...

... Ha ! ha ! ha !... Attends
j'ai un client !

Ça va ... porisateur ?... Qu'est
c'que j'te sers ... feu !

Une Pils !
